That's right, David. We will be putting together TPs and a plan for the Ten Tribes meeting on October 14 and they could be used at the NN meeting and the R9 RTOC. I have been working on the Ten Tribes meeting with Enrique at R9 along with a group that includes all the relevant offices—R6, R9, OSWER, OITA, OPA—and that same group will develop the TPs and plan for the Ten Tribes meeting.

We have not understood that Jared was confirmed for Ten Tribes and were waiting to hear. Is he confirmed?

Rusty, my RA has had us decline requests for presentations in the region. I know Shaun is going to the Ten Tribes meeting and will be getting talking points developed next week. I am not aware of any presentation developed or if HQ is ok with us putting one together.

Thanks

Hi Everyone:

Do you know if there is a HQ approved Powerpoint presentation on GKM? Jared (the Region 9 RA) and our SF Division Director are going out to Navajo the week of Oct 13 for meetings with the Navajo Nation, and the Ten Tribes and will need to discuss GKM. We also have been asked to present on GKM at our Regional Tribal Conference the end of October. Do you know if HQ has put anything together? I haven't seen anything from the ICP so don't know if anyone has been working on something like this. I'd rather not have to start one from scratch, so am checking with the experts.

Thanks!

Rusty
